# Statement of Originality

This work contains no material that has been accepted for the award of any other degree or diploma in any university or other tertiary institution and, to the best of my knowledge and belief, contains no material previously published written by another person, except where due reference has been made in the text.

I give consent to this copy of the thesis, when deposited in the University Library, being available for loan, photocopying and dissemination through the library digital thesis collection.

# Acknowledgments

This is where you should thank your esteemed professor for teaching you how to walk on water. Further, you should acknowledge *any and all funding sources*. Finally, thanking family members or someone important to you here is okay as well.

For politeness and for brownie points with your committee, you should thank the members of your committee and your advisor. *Not doing so could cause you difficulty in finishing!*

# Conventions

This thesis is typeset using the L<sup>A</sup>T<sub>E</sub>X2e software. WinEdt build 5.4 was used as an effective interface to L<sup>A</sup>T<sub>E</sub>X (Oetiker *et al.* 2000). Harvard style is used for referencing and citation in this thesis. Australian English spelling is adopted, as defined by the Macquarie English Dictionary (Delbridge 2001).

# Publications

Author A, Author B, & Author C, (year). Publication title, *Conference* . Accepted for Publication.
